GRANT PARK CONSERVANCY

SUMMER SHADE FESTIVAL 2017

For more than a decade, Atlanta art and music lovers have flocked to Grant Park each August to bid adieu to summer at the Summer Shade Festival. We've got two days of outdoor fun planned for all ages including a 5K Run for the Park, food trucks, craft beer, an entertaining kids zone and a music line up that just gets better every year. And did you know you can ride your bike to the festival and park it for free with the Atlanta Bicycle Coalition Bike Valet?

So, bring your blanket, bring the whole family, but don't bring any pets, and spend summer's final weekend at the Grant Park Summer Shade Festival.

Each year, the Grant Park Summer Shade Festival supports the work of the Grant Park Conservancy, the organization responsible for maintaining the city's oldest park.

Thank you for attending, and we hope you enjoy your final hurrah of summer!

LIVE MUSIC

featuring...

The Grant Park Summer Shade Festival has earned a reputation as the place to see some of the hottest up-and-coming bands as well as a plethora of local talent. With two stages keeping the tunes flowing all weekend, Summer Shade stages offer a range of genres and plenty of greenspace from which to enjoy them. This year, you'll get to hear the sounds of Ruby Velle & the Soulphonics, Blair Crimmins & the Hookers, Grant Green Jr., Michelle Malone, James Hall & the Steady Wicked and more!

RUBY VELLE & THE SOULPHONICS

PHOTO: JIMMY JOHNSTON

Atlanta's Ruby Velle and the Soulphonics are the heirs to the thrones of the old-school masters. But they're much more than just a group of revivalists trying to create a period piece. Powerhouse singer Velle and her band will settle for nothing less than bringing these classic sounds glimmering into the now with a fresh, new contemporary sheen.

BLAIR CRIMMINS & THE HOOKERS

Blair Crimmins began his current music career in Atlanta, Georgia, with a determination to bring Ragtime and 1920's style Dixieland Jazz to new audiences. While playing small rock clubs around the Southeast he developed a sound that is at once modern while being deeply rooted in the past. Now four years, and five hundred shows later, he has toured the country playing large venues and has opened for acts such as Mumford & Sons and Preservation Hall Jazz Band. The band will be touring through 2017 performing their newest songs from the record as well as old favorites from his past recordings.

GRANT GREEN JR.

As the son of legendary jazz guitarist Grant Green (1931-1979), Grant Green Jr. was exposed to exceptional musicianship right from the start. Growing up in Detroit, Grant enjoyed a constant parade of jazz greats streaming through his living room. His neighbors like Marvin Gaye, Stevie Wonder and Gladys Knight along with members of the Temptations and even Miles Davis were known to join impromptu jam sessions in their home. This year he released a new album "Soul Science" on Ropeadope Records.

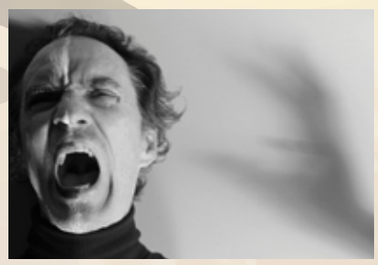

MICHELLE MALONE

PHOTO: STEPHANIE SHOPE

Atlanta native Michelle Malone is "equal parts badass guitar slinger and sweet songstress" (Guitar World). Malone has is currently recording a new album, touring the U.S., as well as performing in a new band led by SugarLand's Kristian Bush. Her shows are upbeat, personable, "raucous and jubilant" (Rolling Stone). She can make the biggest arena seem cozy as a campfire and an intimate venue feel like the center of the universe. Her live show is NOT to be missed. (Atlanta Journal).

JAMES HALL & THE STEADY WICKED

James Hall began his career in Mary My Hope the legendary gloom merchants from Atlanta. He's recorded with the Afghan Whigs, opened for Rage Against the Machine and performed live with Marylin Manson.

KIDS ZONE

PRESENTED BY Georgia Power

It wouldn't be a festival without something special for our young visitors, and Summer Shade has got that covered. In the **Kids Zone, presented by Georgia Power,** kids can catch air on the spider jump and then roll up their sleeves to participate in plenty of hands-on craft activities, many of which are completely free! After getting creative, youngsters can relax and check out the live performers, musicians and storytellers just right for little ears and young audiences. Entertainment in the Kids Zone is offered by both young performers and seasoned professionals, so there is sure to be something to inspire the next generation of performers.

Thanks once again to **Georgia Power** for sponsoring the Kids Zone. Remember, in the Kids Zone, kids rule!

GRANT★PARK CONSERVANCY

The Organization that Supports the Park!

The Grant Park Conservancy (GPC) is a non-profit, membership-based organization. We are committed to the restoration, beautification and maintenance of historic Grant Park, Atlanta's fourth largest park.

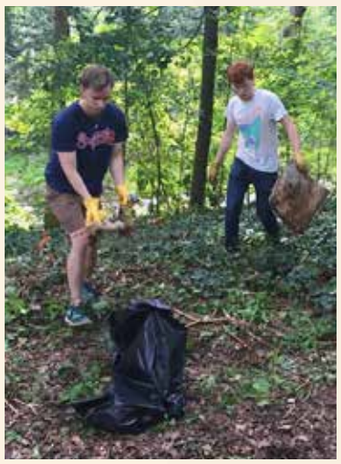

GPC is funded entirely by donations. As such, we cannot make an impact in the park without your help! There are several ways you can get involved: Find us online at www.gpconservancy.org and click on "Donate." Become a member at any level, purchase a commemorative brick for a loved one, or simply donate to the Conservancy. Visit our Farmers Market every Sunday from 9:00am until 1:00pm from April through December at Milledge Fountain and support local farmers and craftspeople. While membership is key to our success, we also need volunteers to help us with projects throughout the year. You can help by volunteering for projects such as mulching, planting, woodland restoration, trash removal and more. If you are interested in volunteering with the GPC, send an email to info@gpconservancy.org.

Our current projects include the Milledge Triangle Initiative, upgrading the picnic areas throughout the park, focusing on woodland restoration and the park's special tree canopy, and installing new trash cans to help fight litter.

The Milledge Triangle Initiative is our most ambitious project to date, with a project budget of over $550,000. The Milledge Triangle is the area of Grant Park surrounding the Milledge Fountain at the intersection of Milledge Street and Cherokee Avenue. The Milledge Triangle is one of the most visited points in Grant Park. However, due to long-term neglect and lack of funds, the Milledge Fountain, as well as its surrounding features and greenspace, have fallen into significant disrepair. The Milledge Triangle Initiative will rejuvenate this key historic gateway – preserving and restoring its historic origins while simultaneously creating a beautiful place where park visitors can gather. But, we cannot make this project happen without the support of the community and our members!

The Conservancy relies on your memberships, donations and participation to continue our mission. Visit our booth, and we'll sign you up as a member today. You can purchase Summer Shade and GPC T- shirts, with all proceeds going to the Conservancy for park improvements. Please consider becoming a member and supporting the Conservancy today!

GRANT PARK CONSERVANCY SUMMER SHADE FESTIVAL 2017 FAQS

When is the Grant Park Summer Shade Festival this year?

The Grant Park Summer Shade Festival is always held during the last weekend in August. This year's dates are Saturday, August 26 and Sunday, August 27, 2017 and is the festival's 15th year!

What is the Summer Shade Festival?

The Summer Shade Festival is a thriving, two-day in town festival in historic Grant Park, organized by and benefitting the Grant Park Conservancy.

Can I bring my dog?

No, sorry. Dogs are not allowed at outdoor festivals, per Atlanta city ordinance [Section 110-70(d).

Can I bring outside food and drink into the festival?

We strongly encourage all of our festival attendees to patronize the fabulous food vendors we have carefully and thoughtfully selected. We are proud of the wide range of cuisine offerings and are confident that there is something for every craving and budget. You will also find several free water stations throughout the festival, so stay hydrated! It's hot, even in the shade! Please keep in mind that this is a fundraiser for the Grant Park Conservancy and all the alcohol sales benefit the park. That means you are drinking for a good cause! For this reason, outside alcohol is not allowed

How many people come to the festival?

Over the course of both days, the festival gets 30,000 visitors on average. It's a great place to meet your friends, grab a frosty beverage, do some people-watching and enjoy the free entertainment.

Is the festival free?

Yes!

What does the festival offer for kids?

Children of all ages can enjoy the Summer Shade Festival Kids Zone. The Kids Zone features storytellers, puppet shows and art activities, as well as active options such a bungee jump and more. Don't worry- we'll keep the kiddos entertained!

The festival is in August. What if I get too hot?

Not to worry! Grant Park houses some of Atlanta's oldest and shadiest trees to provide relief from the heat. Hence the name "Summer Shade Festival." You can also visit one of several misting tents that will provide you with a cool spray as you meander through the festival. And of course, there will be plenty of cold beverages available to keep you hydrated.

What are the hours?

The festival opens at 10am on Saturday and ends at 10pm on Saturday night. The artist market is open until 7pm. The festival opens again at 11am on Sunday and wraps up at 7:30pm on Sunday evening.

Where can I park?

You can park in one of Grant Park's parking lots: off Boulevard Avenue or off Cherokee Avenue. There will also be street parking along Cherokee Avenue, Park Avenue, Atlanta Avenue, Berne Street and Sydney Street. Parking or driving inside Grant Park or on the grass is not permitted.

What if I get injured at the festival?

There is an EMT on hand to handle any injuries or medical emergencies that may occur during the festival.
